

GREAT FINANCE RATES

on PRIMA Gridmat Portable Flooring & Access System

Dear Sir/Madam,

If you are buying new or nearly new PRIMA Gridmat for your business, we can provide **FINANCE!**

Now, generating new business and immediate income with PRIMA Gridmat couldn't be easier and we include all types of businesses including new start. We are currently working off an **ALR of 6.9%**, subject to status, and a choice of over one to five years.

Why PRIMA Gridmat?

- Rectangular, hinged interlocking tiles
- Robust and strong—material weight 5.4kg/m², other systems are flimsy in comparison
- Rapid installation and removal, man-portable and man-handleable
- Class leading design—no clips, locks or mechanical fixings
- Enhanced slip resistance when wet—AS/NZS 4586 Part C Class B
- Static loading - up to 20 tonnes per m² on firm surfaces
- Ecological design - advanced turf protection, water and light permeable
- Widespread deployment by NATO and humanitarian and peacekeeping agencies

Why PRIMA Equipment Finance?

- Increased profitability - acquire PRIMA Gridmat portable flooring and access system **NOW** to generate immediate income
- Tax benefits - equipment finance is 100% tax deductible, allowing you to offset payments against your tax bill
- No security is required - the equipment is the security
- Paying monthly - allows PRIMA Gridmat to earn for you immediately and thus it pays for itself
- No initial outlay - no deposit required
- Bank facilities unaffected
